

Dear Blue Raider Fans,

First of all I would like to take this opportunity to thank all the student-athletes, families, faculty, administration, and the community at large for all their kind words in welcoming me in to this new job. Trumansburg Athletic Department has a long and storied history and our goal as an Athletic Program is to honor that past by creating a program that lives up to the historic standards of hard work, dedication, respect, integrity, teamwork and sportsmanship.

Our Athletic Department firmly believes that our student athletes are students first and athletes second. Our role is to enhance their overall student development through providing opportunities for participation in organized sports.

The coaches and student-athletes of Trumansburg Central School are dedicated, hard working individuals. Yet, to reach high standards of excellence, it is essential that we and you work together toward a common goal. Our community, coaches, parents, and student-athletes are what make the Athletic Department so successful and I thank you in advance for your continued support for Trumansburg Athletics. Working together we can win championships.

Please feel free to contact me with any comments, questions, or concerns you may have. I hope everyone is excited as I am for this upcoming athletic season and I look forward to working with all of you in the future.

Sincerely,

Matt Taves  
Athletic Director  
Trumansburg Central School District
