

## Board of Education Goals for 2003-04

1. Review all components of the 8<sup>th</sup> Grade testing program and improve 8<sup>th</sup> Grade ELA and Mathematics student performance.
2. Review and where appropriate, develop an integrated effort for teaching the strands of respect, responsibility and civil behavior at all grades and in all disciplines.
3. Continue efforts to secure grants to help in the instructional program.
4. Review, in depth, the departments of:
  - a. Pupil Personnel Services – Guidance, Psychology, Social Work and Special Education
  - b. Athletics
  - c. Foreign Language
5. Examine the possibility of creating a String Instrumental program.
6. Review the process of Board of Education approval for student trips.
