

Tompkins Community Action Now Enrolling for Head Start Preschool

Head Start is a preschool program that promotes school readiness by enhancing the social and cognitive development of children through the provision of educational, health, nutritional, social and other services to enrolled children and families. **Now Enrolling** children 3 and 4 years old (must be 3 or 4 by 12/01/2010)

TCAction's Head Start Programs are available throughout Tompkins County. There is no cost to families enrolled in Head Start. Children with special needs are included in all aspects of our Head Start programs. Come to any open house to visit one of our Head Start classrooms, ask questions and complete an application. You will need to bring proof of income to complete an application.
