

About Scrip

The Elementary School PTO has an ongoing fundraiser that allows you to use regular store gift cards at full value and make money for the PTO at the same time. The fundraiser is called scrip and it does **not cost you anything**. Scrip is a term used for gift cards bought through a fundraising program. We work with the Great Lakes Scrip Company. The PTO purchases gift cards from the company at a discount and sells them to school families at their face value for use with the retailer. PTO funds help support classroom teachers, fund Field Trips, special events and more...

Orders are taken monthly. Community members, grandparents, faculty & staff, and school families are all invited to participate. Simply complete an order form **on back** and return it and a check to the school office ***you may send it in with your child, mail it in, or bring it to the office**. Gift cards are ordered and distributed about 1 week later. Choose your pick-up method. If you select Afterschool program, the cards will be placed in your child's Afterschool folder. If you choose "Contact Me" someone will call or email you to arrange details. *The order form only includes a portion of the stores in the program. To find a complete listing and read more about the program, go to <http://www.glscrip.com>.

Trumansburg PTO Presents

Scrip Fundraising

The PTO made \$2300 last year on Scrip. 20 families participated. Imagine what we'd make if we all participate!

"I love that I can get big businesses to donate to my children's education just by buying cards through scrip and using them for my regular shopping."

- Ann DiPetta

"I enjoy having gift cards ready for any occasion....knowing that with each card, I'm helping my daughter's school!"

- Kathey MacQueen

Scrip Order Form

Circle Pick-up selection: Contact Me or Afterschool program.

Name: _____
